

At **800° PIZZERIA** all of our pizzas are made the **TRADITIONAL NEAPOLITAN WAY** (which we think is the best). Cooked at 800°F in our **WOOD FIRED OVEN**, the perfect Neapolitan crust will bubble up and be charred in spots, perfectly imperfect in nature. Unless we tell you otherwise all are topped with **SAN MARZANO TOMATOES** and **FIOR DI LATTE MOZZARELLA CHEESE**. All of our pizzas are hand stretched, topped and cooked to order, so sometimes your pizzas might be delivered to your table at different times. At busy times our food might take a bit longer so relax with a drink and appetiser.
